I was in shock when I heard the news about Emily's passing. I've known her since our Cherry Run and Lake Braddock days. She was always a kind and caring person. She excepted me for who I was and never judged me for it, I will always remember that. She was funny and always fun to be around. She truly will be missed. Your family is in my thoughts and prayers. She will never be forgotten. God Bless your family.

My deepest condolences,

Jason Guiberson

This beautiful song by James Taylor, "You've got a Friend" was a favorite of Emily's and expresses that is all in my heart. I've known Emily all my life, I believe since I was 3 years old. Emily will always hold a special place in my heart, and there are no words alone that can fully express my heartbreak and sincere condolences to her family. Emily sent me this song on tape in a letter she wrote to me when we were in Elementary school after I moved. Emily, true to herself, was expressing her heart. Over the years, it is this very song that will forever summarize what I feel Emily was to myself and so many. She was a true, loyal friend that fully gave all of heart and made sure you knew it. To know Emily is to know true love in friendship. Emily will forever live in my heart as a beautiful melody I will hold onto and smile.

“ I met Emily a little more than 20 years ago at a CTGI Christmas party (my husband Scott Dixon world there). Emily was so warm and friendly and we connected immediately. We enjoyed many social gatherings over the years outside of work. Emily’s smile and laughter always lit up every gathering. Emily was also incredibly funny. I am so very sorry, Andy, Miranda, Jeannette and Family for your loss. May your hearts find peace over time with happy memories of Emily. ❤️
