May 20, 1923 - September 12, 2021

On Sunday September 12 Enery Cubero loving mother of Nydia Davila and Delia Roman, grandmother of Charlie and Ricky Davila and Deena Stallings, great grandmother of Gianna, Dominic and Carmelo Davila was called home by our loving father at the age of 98. She dedicated her life to ensuring her family knew they were loved and appreciated. Enery was lovingly known to everyone as Mama. She will be remembered for her love of family including those she adopted and Mama always ensured everyone she encountered felt welcomed.

Enery was born on May 20, 1923 in Camuy Puerto Rico to Martin Cubero and Marcelina Reyes.

Mama got her general diploma in New York City's manpower program and worked on Wall Street for Citibank for many years until she retired in 1989. Mama was well traveled and she visited many countries around the globe to include Canada, The United Kingdom, Egypt, Russia, Israel, Germany, and Mexico. Mama cruised the Caribbean and visited her homeland many times Puerto Rico. Mama was a vivacious soul, who shared her joyous spirit with everyone she encountered. Mama's favorite color was red and the bold attractive color reflected who she was perfectly.

Mama was preceded in death by her father Martin Cubero, her mother Nina

Reyes and her siblings Luis, Elba Luz, Flor Maria, and Al Cubero.

Mama was the eldest of nine children, two passed away in childhood, four passed before her and the two youngest Liduvina Perez and Gregory Cubero remain.

“ Sending our deepest condolences to all who loved Netty and who was blessed to have known her. She was definitely a beautiful person inside and out. My memory of her will always be of a spunky stylish woman who had a very kind spirit. Who loved and treated my children as if they were her family and im forever grateful. I have always admired the relationship that Nydia had with her mother, you could definitely feel their love for eachother. A bond that even death can not break. I pray that the memories that you all have of her brings you comfort and peace. She will missed but not forgotten. God bless you all.

“ Where do I start? Nedie will truly be missed. I haven't seen her in years, I do regret it now.. but in my childhood years, I would always go to the store with my grandmother, nydia, & her. She was just a blast to be around & such a gentle, kind soul. I was her little j'lo. I'll miss her & her beautiful smile but I'll see her again one day so that is what brings me comfort. Until we meet again nedie, love you. ❤️

“ We will all bless to be honored with your presence for 98 years of your life. There's so many memories to recall:

1. She would say never ask a woman her age, And trust me she wouldn't say it. 😊

2. (Sista's) is how she and her sisters called each other. With lots of love ❤️

3. The best gift of all that I will continue to share was her daily blessing upon us all.

(In Spanish) *Que Dios te bendiga, te cuide y te favorezca y te libre de todo mal y peligro. En el nombre de Jesus, Amen 🙏*

(Translation) *May God bless you, watch over you, and bring favor to you. May God protect you and keep you safe from all evil. In Jesus name Amen 🙏*

*Querida Tia, You will be forever remembered and loved. Til, we meet again 🌹❤️🌹*

*Sarita a/k/a Maria (another memory) 🙏*

*Lidu (sista) te quiero por siempre. Tu me amaste toda de tu vida, y yo te ame toda de la mia.*

“ My mama loved me very much and I loved her the same right back. We cruised together and traveled to Puerto Rico several times together. I will miss her very much. To be honest I've been missing her for awhile for her illness changed her. She lost her spunk and liveliness. My funny story to share is how she wants me to visit her at the memorial and bring her flowers and talk to her while she is in it alone. I had to laugh and tell her mama you won't be in there waiting and able to talk to me or even hear me. I honestly think she thought she would hear me❤️

*Well Titi Nery to be honest I Freddy said leave a message. You will be missed by all of us in the Figueroa house. We missed the days of you coming over because you moved to Va. but you never failed to come back and visit your sister. Dedication that was noticed by all of us. You loved your sisters cooking. You loved to sit and chat with her. This is the visual I have of you guys up in heaven. Compai Pedro is up there too as you would call him. I can imagine the conversations you guys will have up there. Till we meet again. Love always the Figueroa's. PS Mr. Pellegrini is sad he lost his 2nd back up. Lol Dennis says you were a great aunt and was very good to him.*

*My heartfelt condolences to you Nydia and the family. I will always remember the day I met Mama when you started working with me and we went to New York together. Throughout the years I was always amazed at how she had a lot of spunk and was always going on trips. I remember when she moved down here and later when you were trying to get her involved in some activities with the seniors, Mama said " I am not trying to be around those old people". I will miss Mama but will always have fond memories of her. Remember she was very opinionated and would not bite her tongue. She said what she felt. Boy did we have a lot of laughs about the things Mama would say. It was a blessing to have her in your life for 98 years.*
