“ When I was pregnant with our son, 36 years ago, Erika gave me a beautiful baby shower and the cake was made by our son's great grandmother. It was all so beautiful and I will always have a special place in my heart for her.

God Bless you all and may you experience God's peace in your hearts.

There is nothing like a mother's love and you all had it with Erica. I know she will be missed.

“ Richard, I ache for you and the kids, the most comfort I can offer is in my prayers, they have been sent and I will continue to pray. The memories your family have made over the years will help you, someone told me when MOMMA died that as long as I go on, live my life and keep the memories alive she will always be with me, I believe that. The memory I have the most is when you came home with Erica, Grandma pulled us kids aside and explained that she was different then us, talked strange but if we laughed she would take the fly swatter to all of us. No one ever laughed that I know of. Please let us know if we can help you in any way, love to all Donna Jean
