“ Ernie was a huge supporter of all Brentsville sports, especially the girls basketball program. He come with the Stanley family and often times sit right behind the bench. I could always hear him cheering us on. So happy we was able to come to our game against Monroe and watch such a thrilling win. The school, coaching staff and the girls will miss him. RIP Ernie.

“ He was a ray of light that made that little town shine . I've never met a happier , kinder and more gentle soul . We could go years without seeing each other , then pick up right where we had left off . He was a friend to all of us and Nokesville won't be the same without him . God bless you , buddy . You helped make the world a better place , one smile at a time . I'll miss you dearly , old friend .

“ Seems that everyone from Nokesville knew him or had a story about him. He was the biggest fan at Brentsville and every athlete appreciated his presence. May he forever know that the lady over there is indeed my boss, Harvey is crazy and I'm going home to eat a sandwich. And he didn't want to be the Mayor of Aden. Such a staple of the community that will be truly missed. RIP Ernie!!!

“ I have many cherished memories with Ernie when I was a little girl and spent some Summers at my Aunt Mary Lee's. Enjoyed good conversation and visits in the kitchen when Ernie would cook up the best hot dogs...to this day I still like them better cooked his way. Before and after that, many visits next door to Aden Grocery. Ernie knew and made friends with everyone. He waved at everyone. - A very special 'Hello' from him when you'd drive by the store. I will miss you, Ernie.
