“ Liz and family. So very for your great loss of husband and father. So young to lose but am sure God had a needed place in Heaven for Ernest. He will be very sadly missed at church. Sorry j am isolated in Tennessee with COVID and not able to celebrate with you on this glorious occasion. God is good and will comfort and see you through. His strength will carry you safely and hold you close under the shadow of His wing. Much love and prayers. Pat Rose (Julie's mom)

“ Ernest was one of the most loving and caring fathers I have ever known. His children were his life. He was fun and funny; he was attentive and supportive. Even though he was a loyal Dallas Cowboy fan, he was a great man. Rest in peace, Ernest.

“ We will miss many things about Ernest, but we will miss most his infectious smile while standing in the coffee bar area, the hugs every Saturday night, his incredible sense of humor, and most of all his dedication to Jesus Christ and Park Valley Church. Ernest was truly a wonderful man and a friend to all. May you rest in Peace Ernest Bush and may God Bless you and your wonderful family!

“ *When I think of Ernest I just think humble servant. Like so many have said he always just had a kind smile on his face. He would be ready to help anyone in anyway he could, he just had a kind soul. He will truly be missed. Sending all our love always and continuing to pray for all who love Ernest and all who are grieving.* 🧡

Isaiah 40:28-31

28 Do you not know?

Have you not heard?

*The Lord is the everlasting God,
the Creator of the ends of the earth.*

*He will not grow tired or weary,
and his understanding no one can fathom.*

*29 He gives strength to the weary
and increases the power of the weak.*

*30 Even youths grow tired and weary,
and young men stumble and fall;*

*31 but those who hope in the Lord
will renew their strength.*

*They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.*

“ When I think of Ernest I immediately think of Alex's Army and Kris at any of the events they have had over the years. Where you would find one you would most likely find the other. They stood there just waiting for one of us to give them instructions on what to do and off they would go. We prayed for him as soon as we heard he was sick and will continue to keep you and your family in our thoughts and prayers.
