We were shocked and very saddened to learn of Ernie's passing. Ernie was one of the original members of our tiny community, and we all looked to him for advice and history of the development whenever a question arose. We knew we could trust his judgement. He always had a friendly "hello". I have missed seeing him on my morning walks with the dogs, but I never thought that he was gone forever. Such a wonderful man. He will be sorely missed. Sending thoughts of comfort and love to the family.
