“ I don't even know what to say.. I'm so used to seeing you everyday, it's so hard laying up at night knowing you aren't in the next room over from me when I can't sleep and need someone to talk to. These past 6 years have been so hard on everyone, but you were mine and Moms rock. When we had any doubts you were there to set us straight. There are so many laughs and memories shared that I will never forget. Watching our shows every night will never be the same. I know now that you are at peace and will be looking down on my graduation with Pawpaw and Dad. I promise I'll keep an eye on Mason for you, he has already claimed your chair downstairs as his, we all know how you two liked to fight for it. I love you so much and I will miss you terribly. Rest in Peace Mawmaw.
