“ I am so sorry to find out that Eudy is no longer with us. To her family, please accept my sincerest condolences.

*She was someone I admired and I enjoyed working with her during my time at VA DMV. She was a good role model to me and she was so proud of all of her daughters.*

“ To Mrs. Ohanesian's children and grandchildren. Please accept my condolences--and I know those of others I have already talked to from his days as the Marine Officer Instructor at the University of Rochester. Colonel Ohanesian brought a number of us into the Marine Corps and Mrs. Ohanesian was a part of our experience.

*We are sorry for your loss, and I hope there is a way of knowing when the interment at Arlington will take place. As I live in the region, I will make every effort to be there.*

*Semper fidelis,*
