“ Dear Connie & Family, "For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." Romans 8:38-39. My brother Gene is now being embraced by our Lord and Saviour Jesus Christ. I truly will miss embracing him at Sunday Service. With my deepest sympathies and love for both you and Gene. Your brother, Paul

“ I hope I speak for everyone who knew Gene, friends and family. We have all lost someone we will never, never forget. He was a friend a confodant and a wonderful individual. He stood by you when he thought you were right and he stood in front of you when you were wrong. He was someone that you thought you would love to spend a day in his head but would rethink it and say not. We loved him we wondered about him but yet not one of us would not like to say we knew him. We all have a bond and that is Gene!!!!

IT'S A WONDERFUL LIFE

“ I am really at a loss for words at how I am feeling right now with the loss of my uncle Gene. He was always there for me through the good and the bad times in my life and I know that I could always count on him and my Aunt Connie, Tanya, Micheal and Tricia to be there when i was down and just needed to get away or needed a shoulder to lean on. I know he is in heaven shining down on me now, and he knows how greatly missed he is and I know i will definatly miss his jokes and sayings that would crack us all up and at times i can think back to things hes said and just crack up laughing in dead silence.
