“ I got to know Gene through Prince William volunteer program called Veteran Connect! It was a privilege to be able to get to know Gene and talk about current events and past stories of his life in the Air Force and working in the Government in the same field as I had done! I will miss my friend!

“ Geno and I were close buddies and friends. We served together in the USAF from 1953 until 1957 and remained friends until he passed. I cherish the times we shared, and he will live on in my heart until we are united in our squadron in heaven. I salute you my brother!
