“ Eva... this is Hector Elias III. As I type this it is January 2021 and I'm in complete shock. I never got to make peace with you or my family at large. I feel like a complete failure right now. What I wouldn't d'o to trade places with you right now. I love you and I'm sorry I never got to prove that to you. I was six when your dad told you your mom died, I was standing right there. You cried and I felt helpless and lost. Now it's that feeling all over...

“ Just remembering the good old days with Eva and the gang at KDTU. How much fun we had together. The only women who could speak perfect English, but could only do math in Spanish. You wil missed.
