“ We both feel very blessed for having been a part of Eva's life. She was a beautiful person who loved the Lord. She loved when we came by for our visits on Friday and Sunday. She would always say okay Joe listen now it's time for our Bible study. She always seemed so at peace when she was listening.

We loved hearing the stories of how they met, fell in love and got married. We use to laugh about her "selective" hearing and her love of chocolate. Some people pass through your life and change it forever just as Eva did ours.

I remember the last time I saw Eva, we hugged and said our good-byes and also said that if we didn't see each other again we would surely see each other in Heaven and we will.

We pray that God will comfort all of you through this time of grief and that in the days to follow you will all be able to laugh and have only good memories of this beautiful lady.

we send our love and prayers,
Annie and Monty.
