“ *Gean was always a very special person in my life as a child, a young adult and as I have aged. She was a mentor and friend always. We enjoyed playing bridge together for many years and our talks that lasted for hours when I moved to Florida in 2004 were very special to me. I will remember her and her beautiful smile and her love of family forever. Our heartfelt sympathy to all of her family who are feeling the pain of losing her. God Bless you all during this difficult time. With affection for you all, Diane & John Recknor*
