“ Evelyn was a wonderful caregiver to all three of my three daughters. While our time living on the mountain was too short, we made lasting friendships. My children love and cherish "Evie" to this day. She was like a grandmother. We still speak of her often even though two of the girls have children of their own now. I am heartbroken to learn of her passing. The girls will be as well. She will be missed! Rest in peace my dear sweet friend! Love, Dina
Cindy and Jerry, big hug.

“ It is hard to put into words the appreciation I have for you Evelyn. You raised me to always do the right thing and taught me that bad choices came with consequences. You were a major part of making me the person I am today and for that I am forever grateful. You will be missed!!!

“ Gerry and Cindy, Evelyn was the sweetest and most generous person I've ever met. She always put others before herself. She loved you both so much. She was a wonderful role model for all the children she took care of at your home. She taught all my children to love animals and to love each other. God Bless you both and much Love, Lisa, Scott, Collin, Kyle and Tyler

“ I can't think of my time on the Mountain without thinking of Ev. She had more love in her heart than most people, and she gave it freely and without hesitation. I consider myself blessed to have spent so many years with her--she always had time to listen, to offer her advice, and a hug. She will be missed but always always remembered.

“ To Evelyn's family, I am so sorry for your loss. It was so nice to see Evelyn every morning at Sheetz to get coffee and talk to her for just a few minutes on my way to work. She has been and will be greatly missed.

“ I met Evelyn at Sheetz over two years ago when I would stop for my morning coffee. Over time, we got to know each other, and would share things about our families. She was the sweetest person I have ever met. I was so shocked and saddened to hear about her passing, and my thoughts and prayers go out to her family.
