“ May Mrs. Stanley's family find peace in knowing that she was a wonderful woman she showed kindness when others could not find it. Also my nephew Jonathan Phipps attend MCS and I feel Mrs. Stanley had a extensive hand in molding him into the fine young man he turned out to be. On his 1st day of pre-k she came up to him and gave him a hug just because he looked scared and with this became a friendship that will forever be. When I think of her I can not help but smile. She will be greatly missed by all who knew her. God Bless
