

Fanchon L. Fischer

October 22, 1932 - June 5, 2022

Fanchon Lewis Fischer, age 89, of Manassas, VA passed away peacefully on June 5th, 2022.

She was born in October of 1932 to the late Helen Marie Moss Lewis and Charles Cicero Lewis in Ft. Smith, AR.

She spent her early childhood years in Van Buren, AR and moved to Ft. Smith, AR when she was in the fifth grade. She graduated from Ft. Smith High School in 1950, then continued her education by earning an Associate's Degree from Arkansas State College in Jonesboro, AR. She majored in Graphic Arts Printing and minored in Journalism.

In the summer of 1952, she and her girlfriend took a "summer job" with the FBI in Washington, DC. This summer job led to a new life in Virginia where she met and married Robert Fischer in 1954 where he was a US Marine stationed in Washington, DC. Sadly they divorced in 1977.

They moved to Manassas, VA in the late 1950s and became the parents of sons Steven and Jeffrey.

Fanchon was a longtime member of Emmanuel Baptist Church and served as church librarian for many years. She worked for the Prince William County School Board for many years in the Staff Library. Her hobbies included

watching local stock car racing at Old Dominion Speedway and attending Nascar races with friends. She loved her family and made many sacrifices through the years for them. She loved all animals, but especially her dogs.

Fanchon is survived by sons Steven (Karen) and Jeffrey, her sister Carol Lewis Taylor of Lago Vista, TX, and several nieces and nephews.

She is pre-deceased by her parents, Helen and Cicero Lewis and her brother, James Charles Lewis.

“ I wonder if Fanshon knew how many lives she touched. She certainly touched mine. She was my first GOOGLE.

In the mid-late 90's I was completing requirements for my doctorate. I taught full time, had a husband and 2 small children who were active in band and swim. Spending frequent days at the GWU library were almost impossible for me. It was Fanchon who allowed me to complete my studies. I would send her the topic I was researching and she would comb her professional library for resources for me, pull them and mark pages that she thought might be helpful. She would either send them in the courier or I would pick them up. Invariably, they were exactly what I needed for my current assignment.

It was ONLY because of her help, I was able to maintain some sanity and successfully complete my degree. The gratitude I have for this lovely lady can't be adequately expressed.

Rest in Peace, Fanshon

Marie Sobers (Ed.D --thanks to Fanshon)
