“ Fannie Pearl Foskey the love of my life for 66 years will be sorely .missed by me and the rest of my family. She was the glue that kept the family together. She was a thoughtful and caring person often thinking of others even more than herself. Being missed is an understatement. May she rest in eternal peace.

I just heard about pearl's passing. There are no words to describe my sadness! I was Pearl's hairstylist fir many years. I always called her my second mom. We had many laughs and I always loved Pearl. She was truly an inspiration to me and was so very proud of her family. My heart is broken . What a beautiful soul she was and I am so fortunate to have had her as my friend.

I'm not really sure how I came across Aunt Pearl's obituary, but I am grateful to have found it. Bonnie Modlin (Pearls dad) was my Pop, my step grandfather married to my Grandmother Helen. I have many fond memories of Aunt Pearl and Uncle Thomas coming to see us in Bath in my childhood. Unfortunately, after Pops passing, we all lost contact, that was 1991. Prayers for all of you that you have comfort and peace in the years since her passing.
