“ Dear Jim and Cody, we are deeply sad for the loss of Fatima, a wonderful person, wife, and mother. We are so blessed to have known her. We remember her always pleasant, friendly, and affectionate, particularly towards our son Matteo. As Cody and Matteo connected and became best friends the first time they met at the karate classes, so did our families. Fatima and I had different accents (she from Portugal, I from Italy) but similar thoughts about family and relationships. Although Fatima is not longer with us, we know she will always be present and watching over both of you. We hope these thought fill your hearts and give you strength to go through this unimaginable time of grief when you are mourning the loss of our dear Fatima. Our sincere heartfelt, deepest condolences,

Aurelia, Earl, and Matteo
