“ My condolences to the Stone's and extended family and I am very sorry to hear of Faye's passing. Faye was always such a sweet person and always so kind to me and my family. I remember so many outings and gatherings with the old "Vienna clan" back in the day whether at a park or at someone's home. Such good memories. I hope all of you have lots of these good memories too.

“ Faye was my forever-friend. Many, many good times were spent at the Brink home. It became my home away from home during high school. Faye was truly a fun, faithful friend. Though I didn't get to see her often enough, the times when I did will remain precious to me. My condolences to the entire family.

“ Faye was a second mom to me, I loved her so much! So many many weekends spent at your house, eating Cocoa Puffs and playing barbies and always greeted with a smile and a Hello Bethy! So many beach trips and all the memories that come with those thoughts! I'm sad for the hole she is leaving in this life for your whole family but so grateful her suffering is at an end. Love you all so so much, Bethy
