

Felicity Rose DeNitto

May 11, 2026 - May 12, 2026

Felicity Rose DeNitto was born on May 11, 2026, at 5:45pm and passed on May 12, 2026, after 30 hours of sweet life. She was immediately baptized and confirmed into the Catholic faith while in the operating room by Father John Paul Heisler. Felicity is survived by her loving parents Tricia and Stephen and her sisters Charlotte, Giuliana, and Elise. She lived a full life in the loving arms of her parents, grandparents and siblings and is our little saint in heaven! Although God's mission for her was relatively short, she has touched more hearts than many do in a lifetime and we're joyful she is in heaven guiding us with love. Felicity Rose has graced heaven with her strength and love and has been welcomed into the warm, loving embrace of our heavenly Father.

In the months before she was due to be born, Felicity was diagnosed with Trisomy 18.

Despite this diagnosis, Felicity spent every day in her mother's womb moving,

kicking,
and showing her strength and purpose. She exceeded expectations by
making it to
delivery and was able to breathe and move on her own. She grasped fingers
with her
tiny hands, opened her eyes, and cooed and cried to her family holding her.

A Mass of Thanksgiving will be held on Thursday, June 4, 2026, at 11:00am at
Saint

Mary of Sorrows Historic Catholic Church in Fairfax, Virginia with Father
Thomas

Vanderwoude as the celebrant. Burial to immediately follow at St Mary of
Sorrows'

cemetery. All are welcome to join us in celebrating the life of our angel in
heaven.

Felicity's short life on Earth was incredibly meaningful, and we are grateful for
every
moment. She ran her little race well.

NOTE: George Mason commencement celebrations are scheduled the same
day so please plan travel accordingly.

In lieu of flowers, memorials in Felicity's name may be made to the
organizations Abel

Speaks (www.abelspeaks.org) and A Mom's Peace (www.amomspeace.org),
both of

which were invaluable to our family during this journey.

“ *While we never had the chance to meet sweet Felicity, she was already loved beyond words. She was so blessed to be surrounded by such a beautiful and loving family, her mother, father, and wonderful sisters.*

Although her time here was far too short, her life has already left a lasting imprint on our hearts and she will always be deeply loved and remembered.

We continue to lift your entire family up in prayer and ask God to surround you with strength and comfort during this incredibly difficult time. Sweet Felicity will forever be cherished and never forgotten.

“ Felicity showed us all how determined she was to see her family. She didn't want to leave without being embraced by her beautiful and courageous mother and her gentle loving father. She also waited for her big sisters to arrive at the hospital so they could meet her and spend time with her. We had the chance to experience her love as she fought to stay on this earth until God was ready to take her. The doctors and nurses felt her palpable presence and the essence of her family's love. We were so honored to have met her and hold her in our arms. We will always hold her in our hearts and pray to our new little Saint Felicity Rose 🌹.
