“ *In Memoriam:*

*We know that Floyd Allen Harris is in a better place, and yes, there is sorrow due to his passing. But the sorrow is with us, and for us. We are separated from Floyd not just by territorial limits, but because he has stepped through that door that God has promised all who believe in Jesus Christ. Now he lives in a world where there is no more pain, no more sorrow and he awaits you there. And if we trust in Jesus Christ, we will be with him again.*

*Remember, death has done all that death can do. As Floyd goes his way, we're left with the joyful hope he had. In his last days, he saw through a glass dimly, now he sees his savior face to face.*

“ *Floyd, I will miss you so much. You have touched my life in the only endearing way you knew how. Our bodies are only vehicles for the lives we touch, and your footsteps will be with me along with your smile. I love you so much, more than you could ever know.*
