“ I am sorry to hear of Frances' passing. I replaced her at Bull Run ASAP years ago and still think of her often. My favorite memory was her laugh and she would laugh that the office has not changed much since she left!! My prayers are with all the family.

“ *I was on the Manassas City Council from 1980-1996 at the same time Frances was on the Manassas Park City Council. She was just such a joy to work with. Her love and dedication to the City of Manassas Park and its' citizens along with Bill Steele and Bill Wren is one of the major reasons Manassas Park has succeeded. My sympathy to the Embrey family.*

“ *She was always so sweet to me as a kid, I so enjoyed the many times we stood at the fence talking. She always had a smile on her face. I have often thought of her as an adult she made that kind of impact on a shy little girl. Prayers for the family but Heaven has a beautiful new Angel today*

“ Bob and your mom had a very special relationship, as they kidded and laughed together and understood each other. She was compassionate toward him during his struggle to cope with his brain injury. The children in the studio were very special to her and were always greeted with a huge smile. She considered them her own, and they knew it!
God blessed us with her grace and loving heart, and we will miss her dearly. Love to all the family.
