“ Mrs. Herrington was my 3rd grade teacher at Baldwin Elementary School, 1965-66. She was a wonderful teacher. I have many good memories of that school year.

“ Mark and Jaime, I am stunned at your Mom's passing so close to your Dad's passing. I had talked to her a couple weeks ago and had been visiting sister Kay last week when we heard the news. When I got back home there was a note from your Mom thanking me for the phone call. I remember our trip some years back down to the Herrington homeplace with Zora and Annie with your Mom and Dad. We appreciate so much all the geneology work she did. Sending you and your families our love sympathy and support. Hugs

“ Dear Mark, Jamie and families, How deeply saddened to know of cousin Frances' passing. We met online some 15+ years ago when she emailed me asking about my Tune family line. We just clicked right away and shared so much of our own families and our research. I felt I'd known her "since always". I was so pleased to have met her in 2018 when I visited Virginia and we went stomping around the Northern Neck and Halifax County where our common ancestors had lived centuries ago. I will so miss our conversations and her delightful Virginia accent and wit. My most sincere condolences to the entire family who she loved so very much and always mentioned each time we spoke. With very much love,

Gloria - thank you so much for your kind words. I know how much my mom enjoyed all of her genealogy work, finding lost relatives, and then getting to talk and spend time with them. She, and my dad, will be deeply missed.

Jamie
