“ *I knew Frances and Jake through their daughter, Julie. We loved seeing them whenever they came to Richmond. I remember the nurses dinners Julie would provide for her mother's friends. Julie was a good daughter who was always there for her parents and she can be proud of that and have those good memories. Our sympathy to the families.*

“ *Frances was a wonderful friend, full of fun, sharing her good times and loved bridge. She will be missed by all of her bridge buddies and senior citizen friends. She was proud of her family and loved to share her stories of her life. Such a wonderful sense of humor and a sharp wit. She was a great cook and shared her receipes with all. Knowing her was a privilege and spending time with her left wonderful memories.*
