“ *My prayers are with you Sally. Your mother was such a fine person. The Lord has taken her to be with him and your mom is at peace. Your mother loved you and she wants you to take care of yourself. This is a difficult time for you now. It has not been the best for you this year. Remain strong and do your best. Happier and brighter days are before you. I am praying and thinking of you much these days. God Bless You - Jim*
