“ He was one of the first co-workers to introduce himself to us at Ft. Meade. Very gentle and caring individual that is 100% genuine. We will always remember our talks about firearms. He almost had me (Duncan) ready to take shooting lessons!! Our most sincere condolences to the family and God Bless.

“ Bob always had easy way about him. I don't think he ever met a stranger, because even if he did, they weren't strangers for very long; because he befriended them in minutes. He was a great guy and I will miss him dearly.

Don't Cry For Me

© Megan Shifflett

*Don't cry for me,
I'm where I need to be,
I can reach out my hands,
No longer clenched,
I can stretch my toes,
No longer folded,
I see the flowers,
That were never there,
I'm delighted with the wind in my hair,
I smile at memories,
I can see your face,
I remember your love,
And warm embrace,
Don't cry for me,
I'm okay,
So wipe those tears away,
I'm with God now walking on streets of gold,
I am born again,
I am whole.*
