Franco Dario Calvi Munoz was a beloved son, brother, cousin, nephew, grandson, and amazing friend. Born to Lidia Munoz and Ramiro Calvi on March 31st, 1996, Franco grew up in Manassas, VA. Franco's parents meant everything to him; they loved him dearly. Franco always helped out and supported his parents in everything. Out of the three boys his mother had, Franco was the eldest. Franco was always very adventurous; he loved being outside and enjoying its beauty. Since Franco was a kid, he would love to take on challenges and overcome them in a second. Franco had many passions, but the one he adored the most was riding dirt bikes and motorcycles. He learned how to ride his dirt bike at five years old. Franco would ride his bike all day in the neighborhood without becoming tired. The majority of Franco's childhood was him spending time with his friends and going on these crazy adventures anywhere. Franco went to Osbourn high school and graduated as class of 2015. Franco was famous in high school and made multiple friends along the way. Franco was known as a sweet and loveable guy, and everyone adored him. After high school, Franco enrolled in college and graduated with a major in computer engineering. Franco had many hobbies and interests, but some of his favorites included fishing, swimming, hiking, heading to the gym, and playing all types of sports, but his favorites were basketball and football. Franco was a one-of-a-kind human being because he was always kind and respectful to everyone. Franco was unique because his personality and smile would light up a whole universe in a blink of an eye. He was sweet, thoughtful,

caring, always positive, and filled with joyful energy. Our beloved Franco Calvi will always be remembered in our hearts eternally. Our Dear Franco, your parents miss you a ton, and they will forever love you. Franco is now an angel and will forever be by our sides, ensuring we are safe.
