“ *I never knew Frank that well, but know that he was a great friend to my brother-Bill Fernatt. I pray for comfort for the family during this difficult time. Reunited with Bill and enjoying races together again. May God wrap His arms around you and give you peace. -Sherry and Ron Alphin*

“ Denise,

Frank read this poem at Bill's funeral so it's only fitting that I return it to him. First I want you to know that Frank was my protector angel after Bill passed away. He was a true friend to his bestie and made sure that I was okay after Bill's passing. Frank become a true friend to me. I will always love him and am going to miss him terribly.

*Letting go of everything;
Everything I knew;
Surrendering for once and all;
It's just too hard to do;
No matter what's been said and done;
The pain we've been through;
I still remember something else and I can't let go of you;
I will always hang on;
I will continue for all of eternity
FOREVER LOVING YOU.*

*Though time may pass;
I find myself trapped with the past;
Left behind in what once was and all we had amassed;
Wonder where my love went;
How you left so fast;
If I could have only known it would never last;
I will always hang on;
I will continue for all eternity
FOREVER LOVING YOU.*

*Lingering thoughts of you remain and so I still grieve;
Hidden pain beneath the mask;
For none to perceive;
Moving forward is so hard and I still believe;
It wasn't time for us to end;
Too soon for you to leave;
I will always hang on;
I will continue for all eternity*

FOREVER LOVING YOU!

For you Frank! Have fun with Bill in the big racetrack in the sky!!!!

“ *The man the husband the father and the friend. He topped the charts no matter which one he was. NASCAR lost a huge fan, and we lost an all around great person. He lived his wife with all his heart and soul. He took friendship to another level. And his kids and grand kids were always a priority. You will be greatly be missed. There will be a void in all our lives.*

“ He was my brother, my friend, and I WILL ALWAYS LOVE him until the very end.

The tribute was very beautiful, some of those pictures I hadn't seen in over 30 years, that's because you had them lol. We will get through this sad time in our lives, as family

we are strong. We hold the special memories in our hearts and with the Lord by our side

we can overcome the sadness. I love you. Miss you.

Your Sister,

Tracy

“Dad you were taken away way too soon. We are all in disbelief that the Lord took you away from us so unexpectedly. You were the most respectable, humble, and prideful man I have ever met. You taught me through the years how to live my life with honor and how to morally carry myself. You never gave up on me through the good years and the bad. I have soo much respect for you. I can't express how terribly much I already miss you. With tears in my eyes and sorrow in my heart I have to tell you that I'll see you later because you always said that it's never goodbye only see you later. And I know you were welcomed amongst angels Including your dad and grandma Bowles with open accepting arms. You fought off the grim reaper himself in Janurary to have more time with us. I just wish we used our time more wisely with you. Its hard to accept the fact I cant just pick a phone up and call you or swing by the house and have Kailynn spend time with her best friend know to her as Papa. This world has lost a wonderful man with the huge heart full or sincerity. I am proud to have been able to call you my Father, a man well respected amongst others. I pray you didn't endure any pain. I love you more than words could ever express and miss you terribly already Dad. I know you are looking over all of us in heaven and shielding us from harm just like you would still being with us. I hope your New life finds you peace, I love you and cant wait until we meet again.

Love your son,
Jacob

“ *Denise and family,*

I am sorry to hear of Frank's passing, it saddens me deeply.

I remember having some interesting conversations with him as well as learning about the world of NASCAR.

Frank's love for you and your family was something that I will always remember. One could not have asked for a better Dad, Grandfather, Husband, Uncle or friend.

Holding you and your family in my prayers and on my heart. Sending lots of love and comfort.

Dad I can't express how hard it is knowing your not with us anymore. I try to get through my days and nights knowing I won't hear your voice and have our long talks. I miss you so much and wish you weren't taken from us so soon. You'll forever live on in my thoughts, memories and heart Dad. Thank you for all the knowledge and wisdom you shared raising us. I may not have got it when I was younger, but boy do I see now that I'm getting older and have a wife and children of my own. I love you so much Dad and you are dearly missed.

Dear Lori and family - we only had the privilege of meeting Frank one time in person but have certainly heard about him from Dave so often over the years. Frank's warmth and love exuded the moment we saw him at our mom's funeral service. Frank made all of us feel so loved. Truly an amazing man! With love and prayers - Dan and Anne Taylor
