“ I had the opportunity to work with Frank and celebrate his 50th anniversary with NOVEC. I remember him as a strong man built like an OX. I was a fairly new employee but Frank didn't care I did not know him well but he always spoke and treated me good. I will pray for him and for his remaining family.

“ I really enjoyed having the Papa family as neighbors as I grew up in the sixties and seventies. Life was good, and good neighbors made life better. I'm sure the family will miss him. I hope he's with Jesus, that I'll meet him again someday. Read and be encouraged by the first letter of John near the end of the New Testament of the Bible. Especially read verses from 2:25 through chapter 3. God bless and encourage you. Nancy Benner
