“ I have only known Frank a short time, working with him on the Manassas Airport Commission. He was a solid and fair voice for the Commission and I believe he taught us all how to be better people and leaders.

We will miss his guidance and judgement.

I would like to express my condolences to Frank's family.

With my sincerest sympathy,

Doug Ecks

“ Dear Jeff and Family,
As you begin to say your final good byes to your father, take comfort in knowing that he is in a better place. The physical limitations he had with his earthly body are no more...he is at peace and has joined those who have gone before him.

My thoughts and prayers are with you.

Love, Doreen
