Thanks Missy. I think this is the hardest thing I've ever had to go through. 😭

“ Look up to the sky
Now tell me what you see
A cloud, the moon, possibly the sun
Many answers there will be

When I look up to the sky
I'll tell you what I see
I see my mother
And she's looking back at me

She tells me she didn't want to leave us
But it was time for her to depart
It was the hardest thing she had to do
And it's breaking her heart

She tells me we mustn't be sad
Because finally she's pain free
She's found her place in heaven
Underneath a blossom tree

She'll always be there to guide us
When we feel we've lost the way
She'll always be there to comfort us
And wipe those tears away

She'll always be there to share our joy
And laugh at the jokes we make
In order to feel her presence
Only a little imagination it'll take

She may be in the form of a butterfly
Or simply a floating feather
Or hovering over like a busy bee
Or simply part of the weather

You've all come here to say your farewell

*But for me it's not goodbye
If I want to see her, all I have to do
Is look up to the sky*

Sweet dreams, Mom and give pops a kiss for me

Love Richard
