“ Fred you and I met in 98 at CLC. We hit it off instantly and I always considered you to be one of my dearest friends. We worked together at DSC and Kaiser putting in many hours together. In my mind I will always think Of you as the oldest 16 year old kid I ever knew. You always made me laugh and I will miss you dearly. I love you brother and we will Meet again someday.

“ *Dear sweet Fred, you were a breath of fresh air,.in that work place that so many of us called "our home away from home" Kasier Permanente . We worked side by side for 13 years. I would always irritate him about how long it took him to fix some of the IT problems, but he didn't care ,he would just smile and take his sweet time.*

Fred was good man, I'm sure he will be riding his Harley down the streets of gold in heaven.He may be gone but not forgotten.
