“ All,

Please understand that we tried to rearrange our schedules to make your Mom's funeral but no matter which way we tried to move the calendar around we just couldn't make it work. We were scheduled to work through this weekend a month ago with sub contractors etc. Given that you are only 3-4 hours away we thought we could make it work. B & C

Please pass on to everyone, how much I thought of your Mom [along with the rest of your family]. She was the only "Aunt" I ever knew. Look at what she left behind! Such a legacy! Your parents were very special people as we grew up. They even helped me throughout my years in the Army. Your Mom was especially kind and sincere, always with a welcomed ear. My thoughts and prayers are with all of you in this time of great grief and reunion. Maybe when you talk about the good times again and revisit the past you'll actually laugh and giggle over the next couple days. Time heals all wounds and we all will get through this. All my best to Howard of course, he to will have the opportunity visit her again. God Bless. Love Bill.

Love Bill and Cindy
