“ With Darleen's passing, the world has lost a beautiful lady. My stepsons' grandmother, has gone to a more peaceful and pain-free place today. She was so nice to me that she could easily have been part of my own family. She loved everyone around her and accepted everyone with open arms. She taught me how to make an awesome sugar cookie that I will always make in her honor wherever I make them. She was an amazing mother-in-law to my wife and an incredible loving grandmother to my stepsons. I may not have been actually related to her in any way at all but still feel the same loss as if someone in my own immediate family passed.

Something I think that Darleen would have enjoyed knowing - I have been working on some of her family history and have just discovered that she is directly related to European royalty including being directly descended from Charlemagne. Darleen, we have never doubted your truly regal nature and now have confirmed it in your family tree.

Rest at peace Darleen - the world is better because you were in it. You are loved and will be missed. My thoughts and prayers are with all of your family.
