“ We feel honored to have known Gary and spend time with him over his last days... What a fantastic human with an infectious smile & attitude. We lost a great friend, but also gained an angel. Gary - you are gone from earth, but never forgotten.

Much love to the Alviti & Stevens families.

“ June 02, 2011
Our families are connected by the life and loss of Gary. I believe in my heart and without a doubt that the life you, your family and Gary built together brought him sweet comfort, quiet contentment and sense of completion. Gary and I were blessed to have shared the joy and the love of our two sons creating a bond that connected us in this life and will follow us in death. I share your grief but also your joy in the beauty of a life lived and shared. May God be with you and your family and Gary I want to thank you for Keith and Erik and may you rest in peace...till we meet again. Laurie

“ I recently received the sad news of Gary's passing and I wish to extend my sincere sympathies to all of Gary's family and friends.

Gary and I grew up together in Cumberland, RI and I had the pleasure of knowing him ever since we started grade school at St. Patrick's back in the early 1960's.

Please take comfort in the belief that Gary is now in a better place.

My deepest sympathies to all.
