“ *To our Dear and very Precious Friends Mike and Denise,*

*You are in our prayers as you deal with this great loss, as is the entire heflin family and all the friends who love Gary. Special hugs to Linda and to Germaine at this time. Just know Gary is now celebrating the second day of his eternal life! What a blessing. He is no longer sick or in pain. He can breathe again without any labor or burden. He is at peace.*

*Just like the song "I can only Imagine", we wonder what it was like to see HIS face, did Gary sing Hallejuah or was he able to speak at all? What a day of heartache it is for those who love him, but for Gary, what a wonderful day it must have been for him. Wow. We really can only imagine. That's why they call it faith.*

*Our prayer is that your faith will sustain you.*

*Wish we could be there in person.*

*We love you,  
Jeff and Vicki*
