“ *Marleta. I am so sorry.I remember the day we drove from Oklahoma to Virginia, Manasty Butt, Virginia. So many good memories of you guys. Both you and Gary helped so many of your company people throughout the years, including us. I go back and look at the pictures of us in your ski boat, 20 some miles off the coast of Va Beach, catching shark or when we had the Bedlam OU vs OSU weekend or OU in the Nat'l Championship games. I pray for you, Chris and your families at this time of sadness. Through the years we have moved away but you are still in my heart. Gary, Rest In Peace, my friend.*

Love you guys.

“ I am so sadden by the passing of Gary. He was the kindest man I have ever worked with and such a pleasure to be around. I know that He is at rest now and will see his loved ones again but my heart goes out to his family and they will be in my prayers during this difficult time. I am so sorry I will be unable to join you to celebrate his life as I now live in NC but please know I am there in spirit.

“ I have worked on the comptuers for Acme Mechanical for the past 8 years. Whenever I visited, Gary was always ready with a smile and a wave and a "How are you doing, young man?". He never had to be kind, but he always was. I will miss him.

The London's will forever miss him. He is with his own heavenly family now. He watches over his loved ones & we will forever validate his life and service to mankind.
