“ I just wanted to express my deepest condolences on behalf of myself and my sister Kim(Meece). I normally read the Harrisonburg Daily News Record online from time to time and recognized his name from high school. I didn't know him very well but from what I remember he was an extremely kind man who always had a smile on his face. My sister remembers him well as a sweet individual and was sad to hear of his passing. We are truly sorry for your loss and wanted to let you know that you and your family are in our prayers.

*God Bless.*
