“ I am deeply saddened that you are gone George, but knowing that you will no longer suffer will give me comfort. I will love and miss you always. I am so blessed to have you as my Big Brother, you were our Rock. As I've stated to you previously, you are a magnificent man. I am so very Thankful for the guidance and protection you have given me in life, much of which I did not know for many many years. We have many great memories together and I will cherish those with all my heart. I pray you are at peace and give our Yellow Butterfly (Mama) a big hug and kiss. Forever and Always, Debbie (and Rene) <3
