“ Sorry to hear about George. We not only worked together for many years but became friends. I am sorry we lost touch as I've relocated overseas. I did talk with Steven I believe shortly before his passing and was able to get an update on how everyone was doing. At that the Georges health seemed to be struggling. I have many fond stories that I will forever remember. My prayers to his family and may George rest peacefully.

“ I just read the sad news of George Bryant's passing. I grew up with George just across the street when we were very young. We lived on Dixon Street back in the day. Had many fond memories during this time. I had the pleasure of speaking with him last year after loosing contact for quite a number of years. RIP George and May God Bless your family
