“ Dear Lola and Family,
I am so sorry to hear about George, I know you have really had a long struggle and at a time like this, there is really little can say. I'm glad we talked not long ago, it was so good to see you again. You wouldn't believe how I first heard about George, my ex, Bob down in Florida reads the obituaries from up here and he wrote Jeff and told him to let me know. He said to tell you how sorry he was to read about it. I shall remember you in prayers and if you ever need anyone to talk to, just call me up, I'm still in the directory. Take care in the days ahead. Sincerely, Fanchon Fischer
