“ George and my Father, (Jim Mullins) were friends and co-workers for many years. When my Dad heard of Georges passing he said "George was one of the best persons I've ever known". George would stop by and visit with my Dad and my Dad loved those visits. He will truly be missed.

“ George was an example to us all. As far as I could tell, he was the strong, silent type. His loyalty to his family, and to the church, never waned. I was blessed to know him for over two decades, during which time he was always friendly and compassionate

Heaven is now blessed with a hard worker who also endures to the end. We'll miss him on Earth, though.

My condolences to his devoted family

Love,

“ Brother Hill brought so much light into our lives. When we moved into his neighborhood, he would wave to us on our walks and we would have great conversations in front of his house. We loved seeing him every week at church and he made us feel so loved. He will always ask us about ourselves and was a father figure to Jeff. He even offered to teach him to drive stick. We are thinking of this wonderful family.

Love,

“ George’s laugh always stood out to me - it was kinda a “dry” laugh. Like he was waiting for us to catch up to the punch line. It was so unique. And when Mom and I visited he was so happy to be able to make a delicious meal for us. These are the memories that will last forever. He will be missed but has now joined the church eternal.

“ George is one of the finest men I know. His kindness, generosity, sense of humor and calm attitude are just some of his best attributes. I remember with joy sitting next to him watching tv and little by little he would share his wisdom and deep understanding and always helping me with my own questions and problems. I am so thankful that he led the life he led. He was humble and yet I looked up to him for guidance and direction. His love for his family was unwavering and his loved for God was shown through his actions. I can easily call my father-in-law my hero. I look forward to the day we can meet again beyond the cares of this life, in the eternities. Godspeed and Thanks Dad. Al.
