“ My deepest condolences to Kathie, Greg, Kevin, his Grandkids and the entire Hodum Family.

*My journey with George began in 1960 when we were football teammates on The Valley Stream Hornets, along with Tom Frawley. The three of us immediately bonded and this "Troika" has lasted well over the past 62/63 years.*

*George and I continued as gridiron teammates through Jr. High and High School at Valley Stream Central. We became Fraternity Brothers, along with Tom (Alpha Omega Theta) and enjoyed numerous great times together. "Weekends at Frawley's" were truly memorable happenings to be part of.*

*We attended C.W.Post College together, where we again became Fraternity Brothers, with Tom (KDR). That's where George met Kathie. I was honored to be the Best Man at their wedding and later the Godfather to their first born son, Gregory. I consider Greg and Kevin as nephews and real good friends.*

*We remained extremely close after college, playing Black Knight Football, coaching at the Knight Football Camp, and returning to The Green Hornets to coach 12 & 13 year olds. We followed that with High School Coaching Careers.*

*We constantly hung out with our Valley Stream group of friends, attended their weddings and spent our Christmas Eves together at George's Parent's House.*

*George was more than a Fraternity Brother; he was considered another "REAL" Brother in the Urio Household!*

*Even though the Triangle is broken, the memories, laughs, and good times will never be forgotten. You helped keep our friendship thriving for the past 6 decades!*

*REST IN PEACE!*

*Your Brother,*

*Lou Urio*

*Tom Frawley ,Cookie and I want to express our deepest regrets to the entire Hodum family on the passing of my beloved brother George .We did not share blood together but we experienced A brotherhood of 63 years of many fond memories and experiences. I can only reiterate what Lou Urio had to say about George as we all shared many years together. Our families came so very close and we shared many a good time skiing, coaching and being teammates. George was so dear to me that I requested that he and Kathy become the godparents of my son Patrick which made us so proud. George was an outstanding human being and was a trusted and loyal friend. I can only say, I love George Hodum and may he rest in peace. With deepest sympathy the Frawley family.*
