“ *To Leithia & Family
What a great friend and neighbor, one of the most caring and gentle persons I have ever known. He will make heaven a sweeter place. May God bless and keep each of you.

“ *I must say that George was a wonderful example of a husband, father, uncle, etc. In all my years of knowing him he was always smiling and was always willing to help. He and Leitha helped us tremendously when mom was in the hospital this past spring. It is a blessing in life to know such wonderful people and I am so proud to be a part of this family. This journey he has taken without us at this time only makes me smile knowing that he is going to be at the gate with a smile saying "Come on in" when it is time for us to join him. I can't help but to think the Lord gave him a big pat on the back and said "well done" welcome home. Fond memories always,

“ Rusty and I wish to express our deepest sympathy and to send our love.

One of my favorite memories (and I so many) is when I was about 10 or 11 ans I cut my hand. Uncle George asked me if I was brave and I said yes so he pored turpentine on the cut. It took all I could do not to scream I just stood there with tears coming down my cheeks and he gave me the gentlest hug and told me he was proud of me.

I will always remember his smile and the way he laughed. He loved family and was never afraid to show it. We will all miss him.

“ When my (who is in her 30's now) was little she asked her uncle George why he had so many "crinkles". Anyone who knows George knows he loved to laugh and he was always outside in the sun, so he did not have wrinkles he had "crinkles".
