“ *I use to stand at the side of the Reedy house which faced your kitchen. You would come out and give me ice cream or soda. Mom never let me have soda or a lot of ice cream. What she didn't know is I got it from you. You were a family neighbor and friend my whole life. I use to run over and visit with you have long talks. Thanks for being the amazing person you were and for all the kindness you showed me. You will be greatly missed.*

“ This mother is a great lady. I loved going to visit. She was always welcoming. And likewise for Mr. Carter. I hold many memories. I met Debbie in June 1978. My husband Danny Swanigan knew the family well being a Manassas native. Debbie never missed a beat to introduce me to all the family members and even invited me to some moose lodge events. Mrs. Carter loved her family and welcomed anyone and everyone. I am blessed to know this family. She will live on now in Gods glory.

“ So very sorry Debbie, Donnie, Johnny and Oscar. I have so many great memories of your precious Mom, always a lady, her beautiful smile and her love for sports. Her phone calls always brought a smile with her telling of the happenings in her day to day life and always ending with I love you all. The many cards at Christmas and birthdays were never late and filled with love for her family. I loved her honesty and integrity in how she lived her life and treated others. You will always be my special sister-in-law whom I loved dearly and will truly miss dear Gladys. Love and prayers for the family

“ My thoughts and prayers go out to the family as I know what a great loss this is...Aunt Gladys was a beautiful lady inside and out. I will always remember the Christmas cards she sent to me faithfully over the years. When I received her card, I knew the Christmas season was here, as hers was always the first card I received and it always had a little note in it. I will miss her sweet smile...all my love to her family.
