“ I will never be able to stress how much you really mean to me Granny. I have known you my whole entire life and for half of it you lived in a house right behind me. You had every disney movie a little girl could dream of and you even had a back up Cinderella VHS because we would watch it so many times we would wear it out. I will never forget things like that or you. Thank you for loving me and thanks you for blessing me with an amazing dad and aunt. I will never let you go.
