“ I attended church with Gleanus, and lived across the street from her at Deer Park. She was such a sweet lady, she always had a smile and a kind word for you, whenever you saw her. I want to express my heartfelt sympathy to all of her family. I can relate to how sad you must feel(I lost my Mom the end of July) however you must take comfort in the fact that she's in heaven now, and will never be sick again. She's o.k. May God give all of you peace, and strength for the days ahead. My thoughts and prayers will be with you.

“ Oh how I will miss you Grandma. You are a role model for everyone. The love you showed for everyone was incredible. You truly have inspired me. I have only met two other women as strong and inspiring as you...my mom and my aunt-in-law Nancy. My mom took after you and I hope I will too. I know that you are in a much better place now but I will miss you. I will smile and think of you often. I love you so much. I'll always be your little Lissy Lou Lou.
