“ Over 50 years ago I remember when we journeyed together, (in a snowstorm), to pickup her Mom at the Alexandria train station. That was when Joyce first came to live with Glenna and Pat. Glenna, as we all know, had a wonderful sense of humor. She greatly enjoyed her many pets. Most of all she loved her extended family and the opportunity to entertain them. Her sisterhood with Pat was a wonder to behold.

“ I met Glenna in the 80's when we both worked at Metropolis Building Association. Her great sense of humor helped me weather many challenges there including a couple mergers. I loved visiting her two homes and spending time with her, Pat and Joyce. Our oyster lunches were very special. Her courage through all her health challenges amazed me and we could always make each other laugh talking about Metropolis memories. I'll always miss those times. I love you, my friend. Monica Reed

What I treasure most about Glenna, was her upbeat personality and the fact that I never heard her complain about anything. It was always a pleasure seeing her. She will be greatly missed. Love you Glenna!
