“ My heart breaks as I think of a life without you . You are the Best MOTHER IN LAW I could have ever ever had. Gloria was so passionate when it came to her family.I will miss the endless times you comfort me in times when I needed a hug, or a talk or just plain comfort. I will miss Sunday football and your dinners, all the bday partys you made right, all the things you taught me in the kitchen and the family vacations we took. I have not gone more than a few days without talking or seeing you in years and years. When it is all said in done, It is easy to say, I will miss you forever and love you always.  
Love to all my family.
