“ *I am so glad to have met GLORIA at the Fairfax County Circuit Court, we did not work in the same department but when we met it was for ever, like some people says with GLORIA was "what you see is what you get", she was always worried about Michelle and Danny, and was one of the few person that knew how to be a real friend, she was with you in the bad and in the good times, GLORIA, there is only one thing that I will tell you and it will be in my own native language as I use to do, (DESCANSA EN PAZ Y DIOS TE TENGA EN SU SANTA GLORIA, EL SE LLEVO UN ANGEL), to Michelle and Danny, God bless both of you and please always remember the great wife, mother, daughter, sister and friend that she was, we will be praying for you all.*

“A toast to Michelle: Dearest Michelle, You are the legacy she left behind. You are her smile, her laughter and her rock; you are hers forever! She gave you everything you need to move forward. She did that for you! Go, Michelle Go! You will be just fine and she will fly with you as you soar!! Her spirit lives within you. She will be with you when you graduate, when you get married, when you buy your first home, when you have children and all of the trials and tribulations along the way. She is with you. Think happy thoughts as you fly together. She is right there...always smiling at you- her legacy- her pride and joy. You will only ever have one mom - and you were lucky to have her, and she was lucky to have you. You will now find strength you didn't even know you had - a gift from your mom. You will surprise yourself. You are her legacy. What a gift she has within you. May you have peace. God Speed!

“ I was Gloria's neighbor at Crossroads. She, Dan and Michelle invited me over for chili and we became friends. We've had a lot of fun over the years. I will miss going to concerts with Gloria and lunch/dinners at El Vaquera Restaurant in Haymarket or Olive Garden. Gloria made friends easily and she had a lot of friends. Her greatest joy was being a mother. She loved/loves Michelle so much. It was her wish to see Michelle graduate from high school and nursing school. So happy they came true. My wedding was great and Gloria and Michelle were my bridesmaids. Gloria looked wonderful in her gown.

Girl, save me a nice room in the big mansion. I will see you again some day. Love you and miss you

“ Our hearts go out to Dan, Michelle and all the family and friends who are feeling the loss of Gloria. She was a very sweet, humble, loving person who always wanted to give, never to take. Gloria was always satisfied if she could look around and see all the people with her were smiling and cared for. We were blessed to know such a special lady. She has finished her tasks. He gave her to us, now He calls her home. Till we all meet again.

“Gloria, I will miss you terribly, I'm the glad God used the Health Department to bring us together. Man, when we first met my son wasn't even born yet, and Michelle was in 5th grade! Danny and Michelle were your whole life, you loved them so much, and they you. Your joy for life, your smile, and laughter, were all so contagious, it is a privilege to call you friend and have so many memories of you. Your strength and joy during your battle with breast cancer was so amazing, you impacted so many people with your can do spirit. I'm glad I'll get to spend eternity with you and Jesus! Whenever I hear country music, go to work, pass a Starbucks, eat at Zoe's Restaurant, and hear about WMZQ's fundraisers, I'll think of you, so basically every day. God bless you Shell and Danny, you are both in my daily prayers for peace and strength.
